A CHAT WITH A GRASSHOPPER

A WONDERFUL DAY IN THE PARK!

1

One day, the children visited a park.

2

Look! What a beautiful insect!

3

They slowly went near the insect.

4

5

6

The children meet Hoppi!

HOPPI TELLS HER STORY!

1 Where do you live?

2 Grasshoppers live in many different places.

3 How do you fly?

4 Two pairs of wings!

5 Let's fly!

6 The children dream of flying with Hoppi.

DISCOVER THE AMAZING GRASSHOPPER!

1 How many legs do you have?

2 Six strong legs!

My strong legs help me walk and jump.

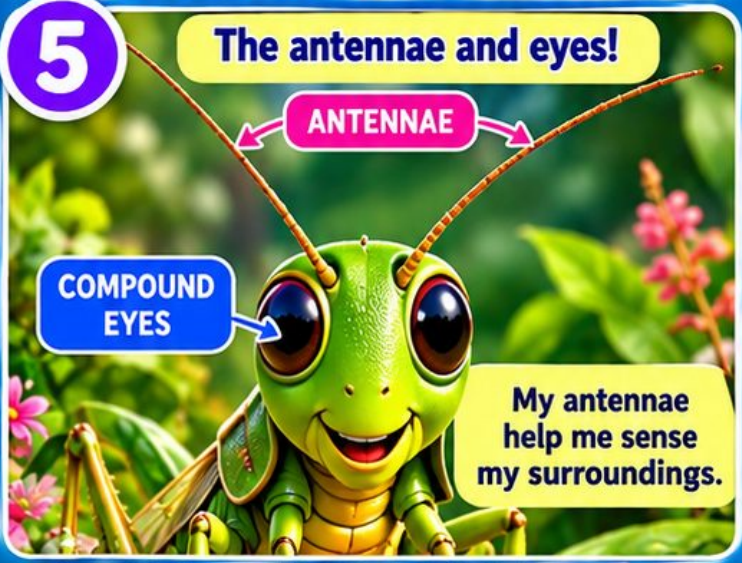

3 Hoppi can jump very well!

4 How do you escape from enemies?

5 The antennae and eyes!

6 A trusted friend!

Learning about nature is fun!

GOODBYE, HOPPI! SEE YOU SOON!

1 Time for lunch!

2 Hoppi's food

Grasshoppers mainly feed on plants.

3 A musical insect!

Some grasshoppers produce chirping sounds.

Some grasshoppers make sounds by rubbing their hind legs against their wings.

4 Friend or foe?

Some grasshoppers can damage crops, while others play useful roles in nature.

5 Time to say goodbye!

6 Hoppi flies away!

Goodbye, Hoppi! We learned so much today!
