A FATHER'S LOVE
INSPIRES A BETTER FUTURE.
Love
Dad

When I was young, I thought mainly about myself.

My daughters brought new meaning to my life.

Their happiness became my greatest joy.

I wanted every child to have a better future.

I decided to run for President.

I wanted to help every child in our nation.

Every child deserves a good school.

Schools should inspire children to learn.

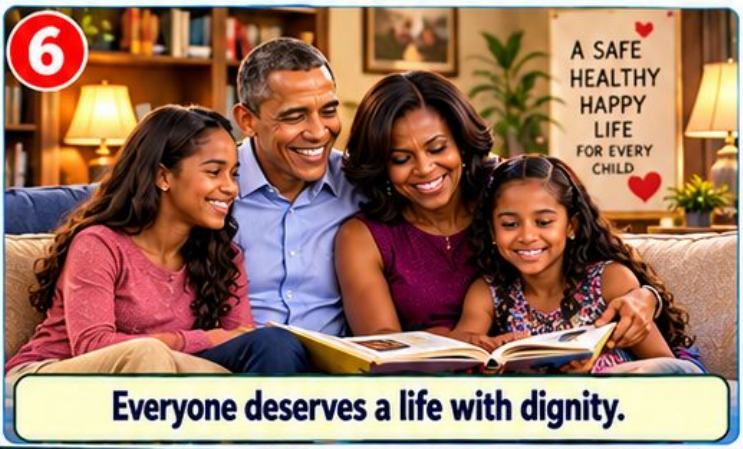

Every child should have a chance to go to college.

Education helps children discover their talents.

Good jobs help people live better lives.

Everyone deserves a life with dignity.

We should discover new things.

Technology can improve our lives.

We must keep our planet clean.

We can build a cleaner and safer world.

We should respect one another.

Every child deserves equal opportunities.
