Anjali was unhappy about sharing her room.

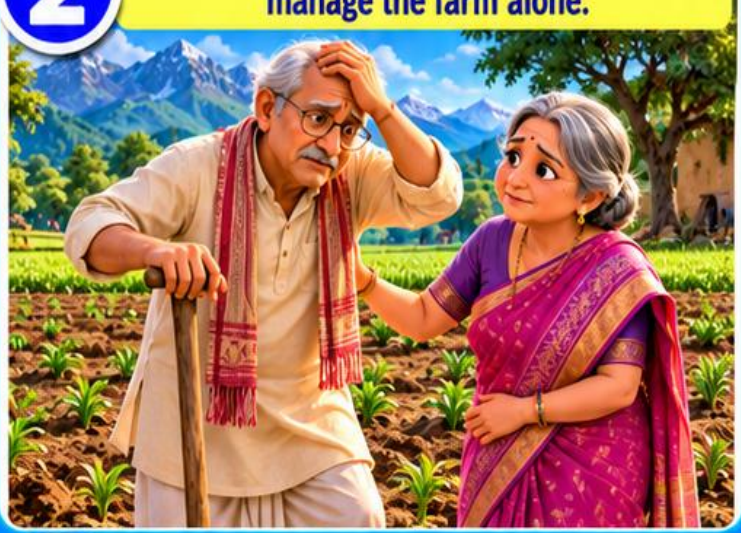

NEST WITH GRANDPARENTS

A FAMILY COMES TOGETHER

1 Dada and Dadi had lived in a small village.

2 Dada was growing old and could no longer manage the farm alone.

3 Their children had moved to different places.

4 Come and live with us.

Papa wanted the whole family to live together.

5 Dada and Dadi came to live with Anjali's family.

6 Anjali found it difficult to accept the new arrangement.

NEST WITH GRANDPARENTS

LEARNING TO SHARE

1 The grandparents followed a different daily routine.

2 Dadi often spent time in prayer.

3 Different food preferences sometimes caused disagreements.

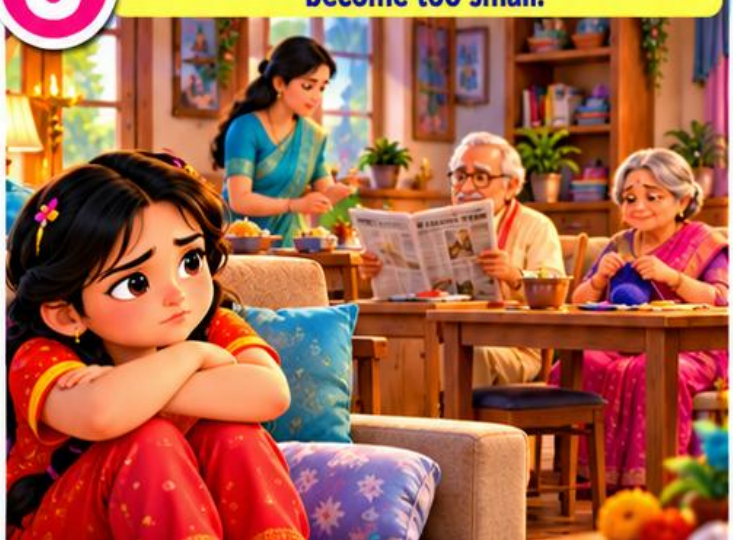

4 They did not always enjoy the same activities.

5 Their opinions were often different.

6 Anjali felt that her home had suddenly become too small.

NEST WITH GRANDPARENTS

THE POWER OF KINDNESS

1 As the days passed, Anjali's anger began to fade.

2 Dadi showed her love through thoughtful gestures.

3 Dada helped Anjali with her studies.

4 He encouraged her to read the newspaper.

5 Dadi became a wonderful cook.

6 The family began enjoying life together.

NEST WITH GRANDPARENTS

A LONELY REALIZATION

1

The grandparents planned to visit another family member.

2

Anjali spoke before thinking about her words.

3

The house returned to its earlier arrangement.

4

But the house suddenly felt too quiet.

5

Mother was busy and had little time to spare.

6

Anjali got the room back, but the missed the happy family life.

NEST WITH GRANDPARENTS

THE VALUE OF FAMILY

1 The next evening, the telephone rang.

2 Anjali wanted her grandparents to return.

3 She remembered the time they had spent together.

4 She missed Dadi's care and wonderful cooking.

5 Anjali discovered how much her grandparents meant to her.

6 THE MESSAGE OF NEST WITH GRANDPARENTS

- Family love makes a house feel like home.
- Grandparents share wisdom, care and affection.
- Adjusting to others helps families live happily.
- Time spent together creates precious memories.

True happiness grows when generations care for one another.
